Professional Summary

Computer Science graduate with a strong foundation in SQL, Python, Microsoft Excel, and data analysis. Passionate about transforming raw data into meaningful business insights through data cleaning, visualization, and reporting. Interested in AI-assisted analytics and business intelligence, with hands-on experience in Python programming, relational databases, and problem solving. Seeking an entry-level Data Analyst opportunity to apply analytical skills and contribute to data-driven decision making.

Technical Skills

Programming Languages: Python, SQL
Data Analysis: Microsoft Excel, Data Cleaning, Exploratory Data Analysis (EDA)
Data Visualization: Power BI
Python Libraries: Pandas, NumPy, Matplotlib
Database: MySQL
AI Skills: Prompt Engineering, AI-assisted Data Analysis
Tools: Git, GitHub, Jupyter Notebook, VS Code
Core Concepts: Statistics, Data Visualization, Business Intelligence, KPI Reporting

Projects

AI Sales Insights Dashboard *April - June 2026*

- Building an interactive sales analytics dashboard using SQL, Python, Microsoft Excel, and Power BI.
- Performing data cleaning, transformation, and exploratory data analysis to uncover sales trends and business KPIs.
- Designing visual dashboards to analyze revenue, profit, regional performance, and customer behavior.
- Enhancing business reporting with AI-assisted insight generation and automated data summarization.

HR Workforce Analytics Dashboard *Jan - Mar 2026*

- Developing an HR analytics solution to analyze employee performance, hiring trends, attrition, and workforce metrics.
- Cleaning and processing HR datasets using Python and SQL for business reporting.
- Creating interactive Power BI dashboards to monitor recruitment, employee distribution, and organizational KPIs.
- Applying AI-assisted analytics to generate actionable workforce insights and decision support.

Leadership Experience

Academic Class Representative *2024 – 2025*

- Served as the primary communication bridge between faculty members and a class of 70+ students.
- Coordinated academic schedules, announcements, examinations, and classroom activities.
- Assisted in resolving student concerns by collaborating with faculty and administrative staff.
- Developed leadership, communication, teamwork, and organizational skills through effective class coordination.

Education

Bachelor of Engineering (Computer Science Engineering) *2022 – 2026*
Chandigarh University CGPA: **7.66/10**

Certifications

- **Cisco Data Analytics Essentials** View Certificate
- **IBM SQL: A Practical Introduction** View Certificate
- **Programming for Everybody (Getting Started with Python)** View Certificate
